

**Lightweight, versatile chain hoists offering excellent performance for such compact machines.**

*These professional jobbing hoists are a 'must have' for all service vans.*

*Ideal for Civil Contractors, Builders and Factory Service Engineers.*

*Portable, saves time and effort - and a major contribution to maintaining Health and Safety standards on site.*

## OPTIONS

- **Chains are sold separately**  
*Lengths supplied to suit requirements and fall*
- **Chain bags**  
*Sizes available according to chain length required*

## LD 'JOBBER' SERIES DELTA CHAIN HOIST

### Light Duty Suspended Chain Hoists 500kg or 1000kg

Both available as 110v or 240v x 1ph AC

## FEATURES INCLUDE

- **Available in either 110v or 240v x 1ph options**  
*In the case of 110v version - via transformer*
- **Lightweight and compact design**  
*Easy installation, ideal for moving between different locations*
- **Safety slipping clutch**  
*Prevents hook becoming trapped into the hoist in the 'up' direction*
- **Supplied with chain bag**  
*For safe storage of chain - please ask about relevant capacities for length of chain required*
- **360° safety hook**  
*Self latching swivel type*
- **6 metre plug in pendant control**  
*2 button plus emergency stop*
- **5 metre power lead with commercial type 3 pin plug**
- **Limited motor draw on amperage**  
*Rectified brush type limits current draw to 6 amps. This enables hoist to operate from a standard 13amp ring main*
